

Ragon Institute
of Medical, MIT and Harvard

Ragon Institute Summer Experience (RISE)

Are you a high school student, recent graduate, or college student interested in medical research and immunology?

RISE is a 7 to 9-week internship program from June to August that includes

- Research
- Mentorship
- College/career planning workshops
- Field trips
- Social activities

Students from Boston, Cambridge, or Massachusetts Gateway Cities are eligible to apply.

Applications due

February 28th, 2025

Students from underrepresented communities are encouraged to apply.
